

# STAY HEALTHY, SIENA!

## PLEASE STAY HOME IF:

You have a fever 100.4 degrees or higher.

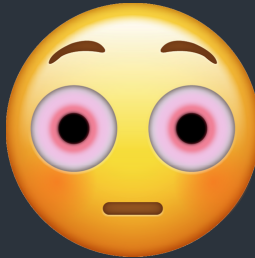

You have vomited or have had diarrhea in the past 24 hours.

You have an itchy rash with a fever.

You have an eye infection with red/pink eyes and/or crusty drainage.

You have an itchy head and untreated, active head lice and/or nits.

You have been to the hospital or ER.

## RETURN TO SCHOOL IF:

You are fever-free for 24 hours without medication.

You have not vomited or had diarrhea for 24 hours.

You no longer have a rash that itches or a fever.

You have seen a medical professional and have a note to return to school.

You have appropriately treated head lice.

\*students will be checked for lice upon returning to school.

You have been cleared by a medical professional to return to school.

*If you have strep throat and/or a bacterial infection, it is important to stay home until an antibiotic has been given for at least 12 hours and your health care provider has given permission to return to school.*
