Subject: Siena Catholic Schools: 2020-21 Update

Hello Siena families,

Here's an update on what we've been working on over the past days and weeks in relation to our Back To School planning. As stated previously, our goal is to return to school in-person five days per week with a virtual option for those families who commit to it. After you've reviewed all of this information, we will be asking you to commit to either Learning from School or Learning from Home so that we can plan appropriately.

[2020-21 Return To School Presentation](#)

Again, we are asking families to commit to Learn from School or Learn from Home for one quarter (nine weeks).

It is critical that you [complete this form](#). The deadline is Friday, August 7 at Noon. The default option will be Learn From School for those who do not complete the form.

In addition to your regular [school supplies](#), please note the addition of masks and water bottles for students.

We are compiling an FAQ and will provide this to you as quickly as possible next week to assist with your decision making. You will continue to be updated weekly on the return to school and what promises to be an extraordinary year!

Blessings in Christ,

Brenda White
President
