

August 24, 2020

Hello Siena Families!

Here are some additional updates as we approach the first days of schools! St. Cat's has a one-day delay in opening due to construction. As a reminder, the first two days of classes at our K-8 schools are for Learn From School students ONLY. This will allow principals, teachers, and students the opportunity to practice new traffic patterns, social distancing, screening, and the changes that we've made in order to keep everyone safe. These days are mandatory for Learn From School students and attendance will be taken.

St. Catherine's:

- TOMORROW! Tuesday, August 25: Learn From School Students, full day
- Wednesday, August 26: All students report/login for class (mandatory, attendance will be taken)

K-8 Schools:

- Thursday, August 27: Learn From School Students
- Friday, August 28: Learn From School Students
- Monday, August 31: All students report/login for class (mandatory, attendance will be taken)

Here are the updates to our FAQ:

1. Can kids use playground equipment during recess? Yes, per the Central Racine County Health Department. Supervisors will ensure that there aren't too many students on one piece of equipment and students will be given sanitizer upon re-entering the building.
2. Can I see a sample schedule for grades 4-8? Grades 4-8 will follow their usual class schedules whether LFH or LFS. Specials will be enrichment for LFH students and they will find their assignments in Google Classroom.
3. What will specials look like for the K-8 schools?
 - o Learn from School
 - Students will be graded as usual
 - Gym
 - No changing for class
 - Outside as much as possible
 - Inside is allowed with social distancing and masks
 - Equipment may be used if it is sanitized between groups
 - Social distance
 - Students use hand sanitizer entering and exiting PE class
 - Music
 - Supplies brought in on a cart
 - No singing
 - No shared or wind instruments
