

**St. Rita
School**

A SIENA CATHOLIC SCHOOL

MISSION:

Living, Loving, and Learning our Faith,
Together With Jesus.

LIVING as members of our Catholic Parish
Faith Community,

LOVING God and all His creation, and

LEARNING for our future on earth and in
heaven.

AN EDUCATIONAL PARTNERSHIP

Nestled near the family-friendly suburb of Caledonia, St. Rita School is truly mission-driven: our identity as a Catholic school is woven into every aspect of school life and each child's personal relationship with Jesus is forefront. We foster this relationship with daily religion class, daily prayer, weekly Mass, and seasonal religious activities. We encourage our families to carry on this mission at home by attending mass each weekend and setting and achieving faith goals.

Speaking of families, St. Rita families are incredibly involved in the school and parish community. Whether you are a parent, grandparent, aunt, uncle, or dear family friend, the involvement of family at St. Rita School is paramount to the success of the students. We have an excellent record of family participation in all school events, ranging from conferences to concerts. Our priority is to partner with families to provide the best educational experience for all students.

EDUCATING OUR STUDENTS

St. Rita School believes it is important to educate the whole student. This includes the spiritual, intellectual, moral, physical, emotional, and social growth of each individual student. This is accomplished through rich coursework including:

- Math / Accelerated Math
- Science
- Reading
- Language Arts
- STEM - Project Lead the Way
- Social Studies
- Art
- Physical Education
- Music
- Religion

Technology, including iPads and Chromebooks, is integrated throughout all core subject areas and is available to all students 5K through 8th grade. We are 1:1 with Chromebooks in second through eighth grade and iPads in kindergarten and first grade.

BEYOND THE BOOKS

- **FAITH** - As a school, we start and end each day with prayer and attend Mass weekly. Students participate in daily religion classes. Faith formation practices include adoration, rosary, and retreats.
- **EXTRACURRICULARS** - Opportunities to learn new skills and explore interests include volleyball, cross country, basketball, track, curling, scholastic competitions, Tablesitters Service Club, English Fest, Battle of the Books, STEM Club, Multicultural Club, Yearbook, Drama Club, Study Club, and Math Club.
- **STAFF** - Our staff is led by principal Jennifer Jeffers, a two-time National Board Certified educator, WATG Gifted Educator of the Year, and Herb Kohl Fellowship recipient. Our teachers hold Wisconsin teaching licenses and Archdiocese of Milwaukee religious education certification. A majority of the staff have been a part of the school for multiple years, providing stability, consistency, expertise, and experience.

Partnering With Our Community

“Living, Loving, and Learning our Faith” is more than our mission; our identity as a Catholic school is woven into every aspect of school life. One of those aspects is volunteering in our community.

St. Rita's students have the opportunity to volunteer at St. Monica's senior living and residential facility throughout the school year. Students play games, sing songs, make cards, and visit with the seniors.

Additionally, our school also supports the Homeless Assistance Leadership Organization (HALO). Students make and donate fleece blankets and the staff prepares and serves a meal.
