**Subject:** Siena COVID update: 11.12.20

Dear Siena families,

As many of you likely know, the City of Racine Public Health Department has issued an order that will force all schools - public and private - to go virtual from November 27 through January 15. We are assembling our administrative planning team and will share our strategy for continued teaching and learning as quickly as possible.

I am so proud of the work our teachers, administrators, staff, students, and families have done to keep our schools open and students learning synchronously, whether in-person or virtual. The lack of any in-school transmission COVID is a testament to this planning. Siena Catholic Schools of Racine remains committed to the education of all our students.

Blessings in Christ,

*Brenda White*
